

Dare to Dream

Dedicated to my great granddaughter Millie Kate Weathers born 12/30/2019

Turn down the streetlamps,
turn up the stars,
see solutions
where others see despair.

Dare to dream—

See certainty in the uncertain,
envision expectations,
gaze upon,
perceive
things hidden
in a cloud.

See tomorrow
as if yesterday.

Your horizon's—not a sunset,
but the sunrise of another day.
